Attention: Mary L. Waller/PM-21 (7505C)

1,2,4-TRIAZOLE, TRIAZOLYLALANINE AND TRIAZOLYL ACETIC ACID
DATA SUBMISSION: RAT FEEDING AND METABOLISM STUDY TO REPLACE
SUBMISSION DATED JANUARY 11, 2002

The enclosed study is being submitted to support the efforts of the Triazolylalanine Group (TAG), which includes Bayer Corporation, Syngenta, Dow AgroSciences LLC, BASF Corporation and Sipcam Agro USA, Inc. While we believe there are other studies in the TAG database that would be more appropriate for the Agency to consider for regulatory purposes, we are submitting this study to assure completeness of the TAG data package. The data package was submitted to the Agency by Clive Halder, of the Bayer Corporation, dated January 9, 2002 (complimentary copy enclosed), in support of the TAG triazole-derivative (T-D) fungicides.

Note: This submission is to replace the original submission dated October 11, 2001 due to formatting errors in the study.

Contents of Submission

Volume Number	MRID No.	Contents
Volume 1 (Admin)		Transmittal document (this letter) <u>Complimentary Copy</u> of Bayer correspondence dated January 9, 2002
Volume 2	45607001	Rat Feeding and Metabolism Study with 3-(1,2,4-Triazole-1-yl)-2-Amino Proponic Acid and 1,2,4-Triazole-1-yl-acetic Acid Fisher, J. D. December 10, 2001 Study ID: 3923-75-5 Pages: 1 – 130 (3 copies)
